DisplayPort 1.4 Cable, DP/M - DP/M, Black, 1.5 m

Product Code:
10.15.2601-L150

EAN:
8433281015036

Description:
DisplayPort cable with male DP connector (20 pins) at both ends

Especifications:
Compatible with DisplayPort version 1.0, 1.1, 1.2 and 1.3 Supports video resolutions up to 8K (7680x4320) @ 60Hz, 4K (3840x2160) @ 60Hz/120Hz/144Hz, 2K (1080P/1440P) @ 120Hz/165Hz/240Hz High quality connectors with gold shielded pins to completely eliminate signal loss and reduce background noise. Multiple shielding consisting of 128 stranded wires and aluminium foil for maximum interference reduction. Manufactured with high quality copper conductors (OFC-Oxygen Free Copper- 99.99%) to ensure maximum transmission quality. The maximum speed that a channel can transfer is 32.4 Gbit/s. Double bandwidth for viewing 3D content, perfect for 144 Hz screen gaming. There will be almost no signal loss, no interference and no delays. Possibility to connect more monitors via a single connector. High definition audio formats (such as Dolby MAT, DTS HD, BD, etc.). With 32 LPCM, this DisplayPort 1.4 cable lets you hear true multi-directional surround sound. Supports clear audio transfer for uncompressed digital channels (7.1, 5.1 or 2). Synchronisation between audio and video, multiple audio channels, and synchronisation between multiple audio devices using the Global Time Code service. Ideal for connecting a desktop computer / laptop / graphics card / set-top box / Blu-ray player, to a display / monitor / TV / projector equipped with DisplayPort port to simultaneously transfer high-definition video and ultra-clear sound. Supports 128-bit AES Displayport Content Protection (DPCP). It is a perfect cable that provides a perfect image. Length: 1.5 m Colour: Black Regulations: RoHS Performance Test: 100% tested

Package content:
1 x Displayport 1.4 Cable, DP/M - DP/M, Black, 1.5 m
