DisplayPort 1.2 Cable, DP/M-DP/M, Black, 10 m

Product Code:
10.15.2310

EAN:
8433281017634

Description:
DisplayPort cable with DP male (20-pin) connectors on both ends.

Especifications:
Compatible with DisplayPort version 1.2 and backwards compatible. High-quality connectors with gold-plated shielded pins. Multiple shielding consisting of 128 braided wires and aluminium foil for maximum reduction of possible interference. Manufactured with high-quality OFC (Oxygen-Free Copper, 99.99%) conductors to ensure maximum transmission quality. Double bandwidth for displaying 3D content (up to 21.6 Gbps). Supports connecting multiple monitors through a single connector. Supports one display at 3840 x 2400 @ 60 Hz or one 3D display at 2560 x 1600 @ 120 Hz. Supports high-definition audio formats (such as Dolby MAT, DTS-HD, Blu-ray, etc.). Audio/video synchronisation, multi-channel audio, and synchronisation between multiple audio devices using the Global Time Code service. Maximum data transfer rate per lane of 5.4 Gbps. Supports up to four displays at 1920 x 1200 resolution or two displays at 2560 x 1600. Supports 128-bit AES DisplayPort Content Protection (DPCP). A perfect cable that delivers outstanding image quality. Length: 10 m Colour: Black Standards: RoHS Functionality test: 100% tested
