USB-C+USB-A/M Hub to 4xUSB-A + 3xUSB-C 3.0 + USB-C 5V

Product Code:
10.16.4510

EAN:
8433281017665

Description:
This USB 3.0 hub is compatible with both USB-A and USB-C ports. Thanks to its individual on/off switches, you can connect up to 7 devices and control each one independently. It also features a dedicated USB-C power port up to 5 V for powering multiple devices simultaneously when needed.

Especifications:
USB 3.0 hub with interchangeable USB-A to USB-C male connector, featuring 4 USB-A 3.0 ports and 3 USB-C 3.0 ports. Additional USB-C power port: 5 V / 1.5 A. Connect and control up to 7 devices, including keyboards, mice, printers, external hard drives, USB flash drives and more. Individual on/off switches to enable or disable each port. Independent LEDs indicating the status of each port. All ports support both data transfer and device charging. *Note: The total output current available across all 7 ports depends on the USB output power of the connected host device.* Data transfer speeds of up to 5 Gbps for transferring large files in seconds. No software or drivers required. Fully Plug & Play solution. Simply connect it to your computer and start using it immediately. Compatible with Windows, macOS and Linux. Cable length: 18 cm Colour: Silver Material: Aluminium alloy + ABS Net weight: 0,108 kg / Gross weight: 0,119 kg Product dimensions: 163x43x20 mm Standards: RoHS, CE Functionality test: 100% tested
