

USB-C TO ETHERNET CONVERTER 2.5G 10.03.0410

EAN: 8433281013162

Our adapter allows you to connect to the local wired network with speed and stability when you don't have a wireless connection.

Small and efficient. You can take our adapter anywhere you go to have a wired network.

The speed and reliability of Gigabit Ethernet allows you make larger downloads without interruption.

You don't need any program or driver. Just plug it and that's all!
